Work Samples!

Education

- Bachelor of Education - Ongoing**
University Of Mumbai - Ends May 26
- Bachelor of Computer Science**
University Of Mumbai
CGPA: 9.18 out of 10

Skills

- AI Innovator** 
- Joyful Educator** 
- Design Champ** 
- Digital Wizard** 

About Me

I am a computer teacher who enjoys using AI tools to make learning simpler and more practical.

Along with teaching, I have experience as an event coordinator, which has helped me stay organized, manage responsibilities, and work well with people. I focus on clear communication, structured thinking, and finding better ways to get things done.

Experience

PRT Teacher | Apr 24 - Present
& Event Coordinator

Podar International School

- Teaching Computers (Grades 1–4), Mathematics (Grade 3), and Artificial Intelligence (Grades 6–7) while fostering a love for learning.
- Leads the end-to-end planning of Annual Day as **Event Coordinator** — managing team, venue setup, rehearsals, and parent communications.
- Leveraging classroom technology (e.g., projectors, AI tools like GPT) to deliver dynamic lessons, improving engagement across all grades.

ICT Teacher | Jun 23 - Dec 23

Niyaz National School

- Taught Computers (Grades 1–10), covering topics such as basic computer literacy, coding fundamentals, and practical IT skills.
- Upgraded the school's digital infrastructure by successfully facilitating the installation of 20 new computers
